DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
deny
and do hereby grant the same, subject to the following limitations and
conditions:

on the grounds that the applicant or his successors in
interest failed to submit the information requested and the approval
of this application without the information requested, would be
detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed
cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or
before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

. Proof of the application of water to beneficial
use must be filed with State Engineer on or before

WITNESS MY HAND AND SEAL this 18th day
of December, 1968

State Engineer.
